HYUNDAI

ELANTRA Hybrid

HCN 7601

Powered by you.

The all-new Hyundai ELANTRA embodies the spirit of innovation through its bold use of parametric design. This cutting-edge approach transforms the car into a dynamic masterpiece, where every line and angle reflects a sense of movement and energy. The parametric design language not only enhances the ELANTRA's striking appearance but also serves as a metaphor for your journey—ever-evolving, precise, and confidently forward-looking. This car doesn't just adapt to the future; it shapes it, with you at the helm, driving the narrative of tomorrow.

A Tour de Force.

The 7th generation Hyundai ELANTRA is more than just a vehicle—it's a tour de force. Every detail of the car is meticulously engineered to create an emotional connection between the driver and the car. The parametric design approach is at the heart of this connection, with its bold geometric patterns and chiseled surfaces that play with light and shadow, giving the car a sense of motion even when it's stationary.

HCN 7601

HCN 7601

A bold first impression.

The front of the Hyundai ELANTRA commands attention with its bold, confident stance. The wide, cascading grille merges seamlessly with sharp, angular headlights, creating a striking face that exudes power and sophistication. The stereoscopic parametric jewel-pattern design highlights the depth of the front grille, making it resemble diamond-cut gemstones, and the bold and elongated front headlights come together to give the car its front sporty look. This design isn't just about aesthetics—it's engineered for aerodynamics, making the ELANTRA as efficient as it is stunning.

Parametric Jewel Pattern Grille

Thin-Type DRL

Parametric jewel.

Its sleek, continuous body lines flow seamlessly from front to rear, accentuating the car's aerodynamic efficiency and dynamic motion. The distinct, flowing curve along the side enhances the car's sporty character while preserving a refined, sophisticated look.

Parametric Character Lines

Parametric Quarter Glass Cover

Chrome Beltline Molding

The art of innovation.

The wide parametric taillights blend effortlessly with the rear contours, while the edgy trunk spoiler and distinctive H-shaped design craft a striking, futuristic profile. Sculpted accents and a sleek, minimalist finish boost aerodynamics that exudes modern sophistication.

H-Shape Continuous LED Taillamp

Sporty Two-Tone Bumper with Chrome Lining

Smart Tailgate

HCN 7601

Dare to be Hybrid.

The Hyundai ELANTRA sets a new standard in automotive efficiency with its advanced hybrid technology. Enjoy a ride where electric and gas power integrates effortlessly for a smooth, powerful drive. With regenerative braking that captures energy for even greater efficiency, the ELANTRA is a leap into a smarter, greener future.

Experience intelligent driving with exclusive hybrid features like energy flow visualization and ECO driving.

Performance that’s always ahead.

The ELANTRA's newly developed 3rd generation platform ensures agile handling and stability, powered by a fuel-efficient engine that provides optimal performance wherever you go. From sharp corners to smooth highways, the ELANTRA turns every drive into an exhilarating experience.

1.6 GDi Gasoline Engine

104hp Maximum Power @5,700 rpm

147Nm Maximum Torque @4,000 rpm

Hybrid Electric Motor

32kW Maximum Power

170Nm Maximum Torque

Combined System Output

139hp Maximum Power @5,500 rpm

264Nm Maximum Torque @1,000~4,500 rpm

Make your move.

The ELANTRA puts smart technology at your fingertips. With remote start, you can set the ideal temperature before stepping in, ensuring comfort from the get-go. Keyless entry makes unlocking and starting your vehicle effortless, so you're always ready to go without the hassle of searching for your keys.

Electronic Traction Control System

Reimagined for your lifestyle.

When you step inside the Hyundai ELANTRA, it welcomes you with its sleek design and thoughtful craftsmanship. The immersive interface cocoons the driver like a cockpit that surrounds the pilot, offering easier control and an enveloping, advanced driving experience. The interior is a sophisticated mix of sleek lines and sporty elegance, creating a space that feels both luxurious and functional. Every aspect, from the fluid contours of the dashboard to the spacious, ergonomic layout, has been designed with the driver in mind.

Tech at your command.

Technology is intricately integrated into every aspect of the interior to elevate your experience. The advanced infotainment system features a large touchscreen that effortlessly integrates navigation, entertainment, and connectivity options. The ELANTRA's connectivity features keep you linked to your car, bringing innovation to your journey. The full-color cluster display and navigation screen provide an immersive, panoramic view, tilted 10 degrees toward the driver for optimal control and a high-tech feel. The streamlined center console ensures everything you need is within reach, while the dual-zone climate control adds to your driving pleasure.

Immersive Interface

The 10.25" cluster display and 8" navigation deliver a fully immersive space, tilted 10 degrees toward the driver for easier control and a high-tech feel.

Heated Seats

Steering you into a new era of driving.

The 10.25” digital cluster provides vital information like tyre pressure, hybrid data, and trip stats. Paired with the leather steering wheel featuring multimedia controls, it ensures a smooth, connected driving experience. Control everything from music to vehicle settings, all from the steering wheel, driving you effortlessly into the future.

4 Spoke Leather Wrapped Steering Wheel with Multimedia and Cruise Control

10.25” Digital Cluster

Comfort for every season.

The ELANTRA's front seats are leather-trimmed, heated, and ventilated for all-season comfort, while the power-adjustable driver's seat with lumbar support ensures an ergonomic fit. Spacious rear seats offer generous legroom, and the use of eco-friendly materials complements the car's commitment to sustainability. The soft-touch finishes create a refined, cozy environment, making each drive luxurious and environmentally conscious.

Built to keep you safe.

With dual SRS airbags and parking sensors, the ELANTRA is built for confidence on the road, protecting you and your passengers at every turn. For families, ISOFIX child seat anchors provide added peace of mind, ensuring little ones are securely fastened. Whether you're navigating city streets or taking long drives, the ELANTRA's smart safety features and thoughtful design make every journey safer, easier, and worry-free.

*The Advanced Driving Assistance System (ADAS) can't replace safe driving practices, and drivers should always use good judgment. The effectiveness of these features can vary due to factors such as weather, road conditions, driver positioning, speed, and cleanliness. Remember ADAS is just an assistance system for drivers, not a self-driving feature.
